

Women's ONE-Hundred

As we enter our eleventh year, we are proud to continue our journey as a group of philanthropic women dedicated to supporting families served by Lakes Crisis & Resource Center. So far, we have raised nearly **\$100,000!** These funds have allowed us to make significant updates, including purchasing flooring and furniture for the shelter apartments, a van for client transportation, a curriculum for youth support groups, and enhancing security and surveillance systems to increase client safety. Additionally, we replaced the seating in our client intake and conference rooms, and installed an awning in the shelter backyard to provide privacy and sun protection for our residents.

We deeply appreciate your contributions to our 2025 W-100 project. Thanks to your support, we were able to make a sensory room in our shelter for child victims of violence.

The impact of services provided by LCRC and the safety it brings to the community is critical. We put our mission of *Fostering Safety, Hope, and Healing through Advocacy, Intervention, and Education* to work helping those who are most in need. As a result of your joint contributions, the Women's ONE-Hundred enables us to impact more than 3,000+ adults and children annually. We invite you to become ONE of ONE-Hundred women who will make a difference in 2026 for LCRC!

By standing together as ONE of ONE-Hundred for this common mission, you join a dedicated group of women that make a significant impact in the lives of those in need.

I look forward to becoming ONE with you in 2026.

Sincerely,

Stephanie Baker
Outreach & Development Coordinator
