

Women's ONE-Hundred

2025 W-100 Luncheon

When women unite, incredible transformations occur! This is the goal of our Women's ONE-Hundred group. Each year, 100 women contribute \$100 to support a vital project at LCRC. Whether purchasing a van for client transportation, or curriculum for our children's support groups, our W-100 members are making a positive impact.

Last year, W-100 funds were used to expand our shelter's playroom with the addition of a sensory room. With the introduction of this new calming space, our younger shelter residents will benefit from enhanced emotional regulation and coping skills, as well as reduced stress levels.

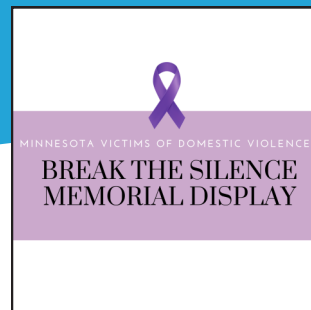

Would you like to be a part of the top secret 2026 W-100 project?

“Fostering safety, hope, and healing through advocacy, intervention, and education.”

Circle of Angels

The Circle of Angels is a remarkable group of generous donors who collaborate with the Lakes Crisis and Resource Center by providing consistent monthly contributions. These vital donations enable us to sustain our direct services for men, women, and children affected by domestic violence, sexual assault, and other crimes.

Your monthly donation of \$25, \$50, \$100, or any amount can truly make a difference. It can help fund support groups for children in local schools, provide emergency shelter for families fleeing domestic violence, ensure access to a 24/7 Crisis Hotline, or supply essential items for our shelter, such as diapers, formula, personal hygiene products, clothing, shoes, groceries, and school supplies.

Joining the Circle of Angels is a simple process, and your contributions are tax-deductible. You can choose your donation amount and preferred payment method; after that, we will handle the rest. If you're ready to begin or have any questions, please reach out to Stephanie at 218-847-8572.

Tera Guetter Memorial

We are truly honored to be the selected recipients of a memorial tree dedicated in loving memory of Tera Guetter. This living tribute serves as a reminder of her kindness, dedication, and the wonderful impact she had on our community. We invite you to visit this tree located on the northwest side of our building. We look forward to watching it grow stronger and more beautiful with each passing year!

Summer Happenings

Wake the World

Jamie and Dave Swenson will be hosting an incredible day of fun at Pelican Lake during their Wake the World MN/ND event. The kids supported by our agency, along with their siblings or friends, are invited to this fantastic experience, which includes wakeboarding, tubing, swimming, and boating.

A heartfelt thank you goes out to everyone who contributes to making this day a success, including sponsors, donors, volunteers, boat owners, and anyone else who had a hand in this event.

Every year the kids proclaim that this is the best day of their summer!

Kids Camp

Jim and Judi Herk's grandchildren, Frankie and Kennedy, are back at it again, but this time they're not serving lemonade. For years, every summer, Frankie and Kennedy have hosted a lemonade stand at their grandparents' house, donating their profits to LCRC. Now that they're older, they wanted to

contribute even more. This summer, they took the initiative to host a "Sports Camp" for some of the children we serve. Several kids participated and had an amazing time!

A heartfelt thank you to Frankie, Kennedy, and their family for providing such wonderful summer fun!
