

To continue our programs and services...

As we look forward to summer warmth, play, and recreation, we are offering an opportunity to support our mission with the purchase of raffle tickets for a chance of winning fabulous prizes! While we will be resuming our Annual Banquet Spring 2023, (we've missed you!), in lieu of that event, participating in our 2022 Raffle is an easy way to help us continue to serve many.

With your purchase of a Raffle ticket [or four], we can continue providing services and programs such as:

- Serving the needs of 1317* victims of domestic violence, sexual assault, and general crime
- Facilitating support groups for over 150* area students
- Sheltering 150* women and children escaping dire home situations
- Providing gift cards for experiences and outings for our youth community and Shelter clients
- Enabling 1386* familial interactions through our supervised parenting time center, Positive Connections
- Offering summer camp scholarships to Shelter and community kids

*Fiscal year 2020-2021

A Word From *LCRC*

Get to know staff—Chloe Schmit

I've been at LCRC for three years at the end of June. I am one of the Shelter Assistants which means I get to support the women and children in Shelter. I listen when they need someone to talk to, help provide necessities, and welcome residents to the Shelter. I also answer the phone to those in crisis and direct them to the services they might need as well as cleaning supervised parenting rooms. The most challenging part of my job is seeing and listening to all the abuse people go through and trauma that comes with it. It's also one of the most rewarding parts; supporting them as they start their healing process and seeing the progress they make. I've always loved helping others and am a big advocate for mental health.

I was born and raised in Detroit Lakes and have two older brothers. I struggle with my own mental health at times and have found my biggest motivator in life is my younger self and working towards a life she would be proud of. I've also recently gotten my own fur baby, Vanna, my German shepherd. She has quickly become a huge motivator for me. We enjoy going for walks, meeting new pups to play with, dancing, and hammocking. My dream is to live anywhere in the desert, or by the water. I love salmon, pasta and LOVE Disney movies!

“Fostering safety, hope, and healing through advocacy, intervention, and education.”
